Introduction

In preparing your abstract, please follow these instructions.

Abstracts should **not be longer than 1 page**, and must be typed in English on blank A4 paper, using MS Word and without any figures. Please send it as an attached file of your e-mail by 31 Dec. 2017. Abstracts will be photographed and printed in the form they are submitted. It is therefore of utmost importance that the abstract is prepared according to the instructions.

Text

Leave margins of 35 mm at the top, 25 mm at the bottom, and 25 mm on the left and right of the page. The text should be single spaced and written in point size 10.5, preferably using the Arial font. One table can be included in an abstract, but not any figure. The title should be brief, describing the nature of the investigation. Use point size 14 for the title. Leave one blank line between the title and the name (s) of the author (s). Give the name (s) and affiliation (s), city and country of the author (s). Omit degrees and titles. Underline the name of the author presenting the paper. Type the name (s) and affiliation (s) in point size 12, and the name (s) of the author (s) in bold. Leave three blank lines before starting the text.

Ways to write the abstract

The abstract should give the objective of the study, the approaches and the methods used, the results obtained, and the conclusion reached. Statements such as "the data will be discussed" are not acceptable. Headings, such as **Introduction and Objectives, Materials and Methods, Results, Discussion and Conclusion** (in bold) are recommended to used, when applicable.

Poster Presentation

Poster presentation is performed on a board of 90 cm × 180 cm in the poster presentation room.
